CSR

For more than 30 years, Neu Dimension has remained committed to giving back to society as part of its responsibility as a trusted corporate citizen. The Group believes that sustainable business growth must be balanced with positive social and environmental impact. This commitment is reflected in its continuous efforts to support environmental preservation, including maintaining ecosystems, promoting responsible practices, and minimizing environmental impact across its operations.

In parallel, Neu Dimension places strong emphasis on community outreach. Through continuous engagement with local communities, the Group contributes to social development programs, education support, health and safety awareness, and humanitarian assistance. These initiatives are driven by the belief that empowering communities strengthens the foundation for sustainable growth. Guided by its core values, Neu Dimension will continue to uphold its CSR commitments and create long-term value for society while moving forward responsibly
